

Seed Saving and Cool Season Gardening

Saturday, September 10th

10:00 am till 2:00 pm

(With a short break for lunch and conversation about noon.)

Greenlee County Cooperative Extension
1684 Fairgrounds Road Duncan Az 85534

Learn the basics of seed saving.

- How to select plants that will produce the best seed.
- How to insure proper pollination for intended results.
 - When and how to harvest seed crops.
 - How to clean seed and store for future use.

Learn the basics of cool season gardening.

- Which crops produce best during our cool season.
- When and how to plant for a successful garden.
 - How to extend your garden season.
 - How to produce more garden with less work.

The cost of this workshop is \$10.00 to the general public and is no charge to those enrolled in the current Master Gardener classes.

For further information on workshops and the Master Gardener program contact Bill Cook, office - 928-359-2261 cell - 928-254-8734, or email wrc@email.arizona.edu
