Smartscape

Smartscape workshops are designed to provide education on the fundamentals of designing, installing, and maintaining beautiful, water-efficient landscapes.

The training program is specifically for landscape industry professionals such as: landscape architects and designers, installation and maintenance supervisors and crew members, nursery employees, municipal employees, and HOA committee members.

Arborists can earn 20 ISA CEUs
The Western Chapter of the International Society of Arboriculture has approved this course for 20 continuing education units.

Landscape Architects can earn 20 LA CES credits
The American Society of Landscape Architecture has approved this course for 20 credits in the Landscape Architecture Continuing Education System.
