NAWT Inspection Training & Certification

Did you know that you are now required to attend an ADEQ-approved course before initiating the real estate inspection? Your successful completion of the 2-day ADEQ-approved course and certification test will result in your name being listed as a certified inspector with both NAWT and ADEQ. This list is posted on the NAWT website (www.nawt.org) and visited by property owners and real estate agents engaged in the Arizona Transfer of Property Inspection Program under AAC R18-9-A316. This course is a pre-requisite for all University of Arizona Onsite Wastewater Treatment courses.
