

THE UNIVERSITY OF ARIZONA
COLLEGE OF AGRICULTURAL & LIFE SCIENCES
**Agricultural Education,
Technology & Innovation**

JOIN OUR GRADUATE PROGRAM

MASTER OF SCIENCE (M.S.)

**PROFESSIONAL
AGRICULTURE EMPHASIS**

ABOUT THE PROGRAM

The Agricultural Education, Technology & Innovation Graduate Program- Professional Agriculture Emphasis is offered at a distance through Arizona Online. The program is geared towards students who are interested in pursuing a Master's degree while working full-time. Elective coursework is flexible to tailor to specific student interests. A Master's degree in this program prepares students to be leaders and innovators in fields that include: Agriculture Industry Management, Career and Technical Education, Community Development, Cooperative Extension, Higher Education, Program Evaluation, and more!
