The Heart of 4-H

Volunteers and Parents—The greatness of 4-H is found within the power that volunteers and parents have to change the lives of youth. 4-H volunteer leaders and parents work with and support youth in their development of various skills, enabling them to reach their fullest potential and lead productive lives.

A Parent’s Role in 4-H—Your child needs your encouragement to get them started in 4-H and to keep them involved in the program through their teen years. You can help if you:

- Share—Take interest, look, listen and offer suggestions, but avoid the temptation to “take over” and do things yourself. Learning by doing is the 4-H way. Your child learns by his or her mistakes as well as successes, if you provide encouragement.
- Prepare: Help your child value having their projects, duties and presentations done right and on time. Also, be sure your child learns the importance of letting someone know if he or she cannot follow through as expected.
- Be There: Parents are part of 4-H too! You are welcome and very needed. Lend a hand where you can. Volunteer!
- Care: Support your child’s participation and abide by the policies set by the 4-H Youth Development Program. Also arrange to attend programs and events where your child is taking part. Your presence shows that you consider your child, and what he or she is doing, is very important.

Saturday—December 6th
9:00 am—11:30 am

All 4-H members—including CloverBuds—are invited to join us for “Super Saturday”. At this workshop, everyone will make some crafts to take home, help with a community service project, have a snack and make new friends. It should be a lot of fun! Please call the 4-H Office at 726-3904 to register—we want to make sure we have enough supplies and food for everyone!
Thank You!

A big thank you to Yuma Moos 4-H Club and 4-H Office staff who helped assemble the October newsletter.

Reminder From the Junior Livestock Committee

The JLC would like to remind all exhibitors planning to participate in the 2015 Yuma County Fair that all large animal projects will be required to have a bill of sale for the animal, a self inspection paper from the seller if the animal is purchased in Arizona (not swine) or an out of state health certificate from the state of purchase to be provided at the respective project tag days. ALL ANIMALS are required to have either an ear tag with scrapie number, tattoo or ear notch for swine, regardless of the sex of the animal.

To enter the Fair, EVERY ANIMAL will need to have a Self-Inspection Seasonal Pass Certificate. Swine will receive their inspection form from the brand inspector at tag day.

IF YOU DO NOT HAVE YOUR PASS, YOU WILL NOT BE ABLE TO SHOW AT THE FAIR. NO EXCEPTIONS.

Please refer to the Yuma County Fair website for more tag day information at www.yumafair.com and follow the link to the Junior Livestock Committee. Please do not hesitate to contact your project superintendents if you have any questions. We look forward to seeing all of you at Fair!

ARBA Show in Yuma!

The Arizona State Rabbit Breeder’s Association has announced that a sanctioned ARBA Rabbit and Cavy Show will be held in Yuma on January 31, 2015. 4-H and non-4-H Rabbit and Cavy breeders from across the southwest travel to these scheduled shows to compete in breed and fur categories (please see the Arizona State Rabbit Breeder’s Association website for information and animal entry forms at www.azrcba.org). This is an excellent opportunity to meet breeders, watch ARBA registered judge’s work with the animals and see other breeds of rabbits and cayes not common in Yuma.

The Small Animal Committee will be hosting a 4-H Showmanship & Skill-a-Thon Contest to be held the same day as the show. Test your knowledge, practice your showmanship and come meet 4-H members from across the state! Entry forms are available at the back of the newsletter or through the 4-H Office. Deadline to enter will be January 18, 2015 (postmarked). Please contact Sue Hanson at 446-7032 or tjshanson@outlook.com for any questions.

REMINDER—the Imperial County Small Animal Selection Clinic will be held on Saturday, November 15th, beginning at 8:00 am (California time), at the Imperial County Fairgrounds.

1. A Self-Inspection Seasonal Pass is required for all exhibition cattle, sheep and goats owned by Arizona residents and exhibited in Arizona [Arizona Revised Statutes Title 3 Section 3-1346; Arizona Administrative Code R3-2-703]. A Seasonal Pass is not used for exhibition swine; instead, owners must obtain a “Certificate of Inspection of Exhibition Swine” from a Department Animal Health and Welfare Officer/Inspector.

2. To receive a Seasonal Pass, the exhibitor must complete an application form available by calling the Self-Inspection desk at (602) 542-6407. You may download the application at http://agriculture.az.gov. Under the heading “REGISTRATIONS/FORMS/GRANTS” select “FORMS” then scroll down and click on the “SELF INSPECTION” folder. Finally, select “SEASONAL PASS APPLICATION”. Each exhibitor must have their own Seasonal Pass and may list up to TEN animals on a single Seasonal Pass.

3. The Seasonal Pass application may list up to 10 animals. It must include a description of the animal, including breed, sex, color or markings, and permanent identification such as a brand, tamperproof ear tag number (not dangle tag), tattoo or, if present, microchip/electronic ear tag number. The exhibitor must also provide proof of ownership of each animal by including the number from an Arizona Self-Inspection Certificate or an Arizona Livestock Officer’s Inspection Certificate (or send a copy), along with a bill of sale - for each animal. If the animal was purchased out-of-state, a Health Certificate number and an Import Permit number must be recorded on the application (or send a copy). If no proof of ownership is available, the animal must be inspected by an Animal Health and Welfare Officer/Inspector [call (602) 542-0872 or 1-800-294-0305 outside of Maricopa County]. SHEEP/GOAT OWNERS PLEASE NOTE – official scrapie identification is required. To obtain official scrapie identification tags for native Arizona sheep/goats, a state premises identification number must first be obtained from the Arizona State Veterinarian (602-542-4293). Official identification tags may then be ordered from the U.S. Department of Agriculture. Sheep/goats imported from other states must be identified with official tags applied in the state of origin. A Seasonal Pass is not used on exhibition swine; they must be inspected by an Animal Health and Welfare Officer/Inspector.

4. The fee for a Seasonal Pass is $5.00 for 1 to 10 animals. Add $.50 per head for each animal over ten. Payment may be in the form of a check or money order made payable to the Arizona Department of Agriculture. The Seasonal Pass will be issued upon receipt of the completed application and applicable fee; it is valid for one year from date of issue. Animals may NOT be added to existing Seasonal Pass. A new application and fee must be submitted and a new Seasonal Pass issued.

5. The official, numbered Seasonal Pass issued by the Department must accompany the animals whenever they are moved. In the space provided, the exhibitor shall write the date of movement, name of exhibition and location and return date for each animal. If an animal or animals are sold, the holder of the Seasonal Pass shall return the completed Pass (or a copy if animals sold are listed on the same Seasonal Pass with others that are not sold) to the Arizona Department of Agriculture within two weeks of the sale or termination of the animal, or at the end of the show season or, if the animal is retained, at the end of the year issued. If an animal is sold, the Seasonal Pass holder must provide the buyer’s name, address and phone number in the space provided on the Seasonal Pass.

Thank you for your cooperation. If you have any questions, please call the Animal Services Division Self-Inspection desk at (602) 542-6407.
