SEED COTTON TITLE I CONFERENCE CALLS/WEBINAR

Paco Ollerton

Seed Cotton has been designated as a covered commodity eligible for Title I Price Loss Coverage (PLC) and Agriculture Risk Coverage (ARC) programs in the 2014 Farm Bill beginning with the 2018 crop. The National Cotton Council invites its members and interest organizations to participate in regional information conference calls/webinars regarding provisions of the recently authorized 2018 Seed Cotton farm program. Information will be provided on the provisions of the Seed Cotton program including examples of support levels under various price scenarios and examples of generic base conversion options. In addition, updates on the new farm bill will be provided. Participants will have an opportunity to ask questions at the end of each session.

SMALL GRAIN FERTILIZATION

Blase Evancho

Small grain growers in central Arizona are quickly approaching some of the key growth stages for reaching quality and yield thresholds in your crop. Arizona Cooperative Extension has produced several documents to assist you in making fertilization decisions in the following documents. Please review them and contact me if you have any questions or if you would like assistance.

Fertilizing Small Grain in Arizona (long)

Fertilizing Small Grains (short)

An Introduction to the Use of Reference Strips for N Management in Durum Wheat
