

2023-2024 State Shooting Sports Match Rules

Revised 12 September 2023

Competitors' Pledge

As a 4-H shooting sports Competitor,

- I will do my best to live up to the high ideals of ethics and sportsmanship.
- I will compete honorably, fulfilling my charge to be trustworthy and honest.
- I will treat all people, including coaches and match personnel, with respect.
- I will be gracious in victory and accept defeat with dignity.
- I will remember that to compete is a privilege, not a right.
- I will live up the high standards of fair play.
- I will be open minded, always willing to listen and learn.
- I will demonstrate concern for my teammates and for my fellow competitors.
- I will not engage in reckless behavior that might cause injury to myself or others as determined by the range officers and match coordinators.
- I will honor, observe and enforce the rules.
- I will represent my club, community and county with honor, on and off the field.
- I will represent the 4-H program positively at all times.

Coaches' and Parents' Pledge

As coaches and parents at Arizona 4-H Shooting Sports matches,

- We will respect the competitors, staff and property of our host community and county.
- We will set a good example as mentors and role models for our members and their families.
- We will conduct ourselves in a professional and ethical manner.
- We will strive to encourage the life skills embodied in the 4-H shooting sports program and to aid in the development of our members through adherence to those principles.
- We will respect the dignity of all competitors, coaches, parents, volunteers and match coordinators.

DISCIPLINES AT-A-GLANCE

Courses of fire have been selected based on the most recent 4-H National Match guidelines available as of the revision date of these rules. They have been modified from their National Match origins due to time, resource and equipment limitations unique to Arizona Shooting Sports. When a conflict occurs between an Arizona State Match rule and a National Match rule, the Arizona State Match rule takes precedence. In the absence of a specified State Match rule, all National Match rules remain in effect, including rules/guidelines prescribed by the 4-H National Shooting Sports Committee. The Arizona State Shooting Sports coordinator has the authority to modify, change, delete or add rules before or during any match.

All competitors must adhere to the commands and instructions given by rangemasters. Failure to comply with their directions is grounds for removal from the match.

NEW FOR SEPTEMBER 2023-2024

All Disciplines:

- No coaching/coaches allowed on the firing line; parents and/or coaches are required to stay behind the spectator line.
- No cell phones, radios, or other electronic communication devices may be used by competitors or others on or in the immediate vicinity of competitive ranges during active competition.
- Competitors are required to wear closed toe shoes when competing.

Air Pistol and Air Rifle:

- Modified equipment standards for air pistol and air rifle competition remain in effect. At the discretion of the shooting sports coordinator, all non-precision designated .177 air rifles and air pistols will be allowed in this year's matches. Sight requirements remain unchanged per the rules listed for each course of fire. The intent of this rule is to element potential equipment related barriers to entry in order to encourage more members to compete in air disciplines. This rule change is not intended to generate an advantage for a competitor by allowing air operated firearms that are normally designated as more capable than a sporter designated firearm (I.e., precision classified rifles).
- Modified target placement distances for air pistol silhouette course of fire also remain in effect. All silhouettes will be placed 10 meters from the firing line.
- Time allotted for slow-fire air pistol match reduced to 10-minute preparation and 40 minutes for scored target engagement. Time allotted does not include the time needed for range safeties to change targets if electronic scoring system is not used.
- Competitors are allowed to wear shorts when competing in either Air Pistol or Air Rifle disciplines.

Hunting Skills:

- Smallbore rifle silhouette course of fire added to discipline. Equipment and course of fire is the same as Smallbore Rifle discipline.

Smallbore Pistol and Rifle:

- Any firearm built or modified to give the distinct impression of a modern military style firearm such as an AR or AK is not allowed in the 4-H Shooting Sports Program. Examples of unacceptable firearm components include: any type of muzzle devices (muzzle brake, recoil compensator, suppressors, porting), front pistol grips, heat shield/shroud, and magazines extending more than 1 inch below the receiver. Ported barrels are permitted on shotguns & pistols.

Western Heritage:

- Rules governing course of fire for Western Heritage will be released prior to February 2024. Arizona's first Western Heritage match will occur in February 2024 during our State Championships.

ARCHERY RULES

Recurve and Compound Bows

Two archery sub-disciplines are recognized at the state and national levels: Recurve Archery and Compound Archery. Both disciplines shoot the same set of three events during Arizona 4-H Shooting Sports competitions.

Any bow that uses pulleys or cams is deemed a compound. Note that while the three governing bodies for the three different events have slightly different requirements or restrictions, for the sake of simplification- Arizona 4-H Shooting Sports competitions use one standard for equipment for all events. Under no circumstance is "sky-drawing" permitted. Armguards and eye protection are optional and not required to be worn by participants. Procedural rules, course of fire, scoring, etc. will follow the NGB unless otherwise noted. Hip quivers or grounded arrow holders are required on the firing line. No back quivers are allowed.

Check-In

- At no time will an arrow be allowed to be attached to the string of the bow.
- The only time a string will be pulled back is at the check-in table when the bow scale is attached.
- All arrows brought to check-in must be stored in a quiver or a storage container.
- All bows must be checked and approved prior to use in competition.

General Rules

1. Arrows - Minimum arrow weight of 5 grains/pound of bow draw weight. No larger than 27/64" (.422 inches diameter for arrows and .425 inches diameter for points maximum). Make sure arrows are marked with your initials on either the shaft or vanes so that they may be told apart from others.
2. Bows - Peak draw weight cannot exceed 60 pounds. No electronic sights. Illumination of pins is allowed. Magnification or scope lens are allowed.
3. No communication devices allowed on ranges including cell phones used "only to take pictures". This includes archers, coaches, parents, and spectators. Please inform your parents and spectators of this restriction. Officials may carry radio or cell phone to contact other officials if necessary, but must be placed in silent mode.
4. All archers must remain with their group during shooting and until all score cards are signed and turned in. Archers must turn in all score cards as a group. Archers are not allowed to leave the range until score cards are turned in. Archers must add their scores on their own (no parent or coach help). If archers need assistance, they can ask range safety volunteers for help.
5. Score cards must be signed by scorekeepers and the archer before being turned in or they will not be computed in the final results of the competition.
6. Be prepared for inclement weather, mud, bugs, etc.

7. Dress Code: Pants and closed toe shoes are required.
8. Coaches may use spotting equipment.
9. Archers shooting extra arrows will have highest scoring arrow not scored plus one penalty point per extra arrow shot.
10. Range finders may be used in the Field and FITA round only. Range finders are NOT allowed on the 3D range. This includes archers, coaches, parents, and spectators. Binoculars without ranging devices are allowed on all three ranges.
11. Coaching will be enforced as per the 4-H Shooting Sports National Championships General Rules.
12. Participants, coaches, spectators, and parents are NOT allowed on official archery ranges used for the competition, unless it is a designated practice period and permission has been granted by the Compound and Recurve Archery Chief Range Officers. Practice or warm up shots are not allowed in the parking areas of the official archery ranges.
13. Deliberate shooting, or attempting to shoot, any living animal while on competitive ranges is grounds for ejection from the event and the match.
14. Under no circumstances is "sky- drawing" permitted.
15. Scorecards must stay in possession of the archers at all times until turned in. At no time shall coaches, parents, spectators, or volunteers have access to scorecards.
16. If a competitor feels a rule was broken, an infraction occurred, or wants a ruling from a range officer, they have the right to stop forward movement on the range, until their concern is addressed.
17. Hip quivers or grounded arrow holders are required on the firing line. No back quivers are allowed.
18. No coaching by coaches or parents is allowed during the shooting of the match. Encouragement offered to archers is welcomed as long as it is not directing their shooting. Exception: In case of a breakdown or problem above the level of the archer to handle, coaches may assist with the permission of the range officers. The archer must call equipment failure and will have 15 minutes to correct the problem. Make up arrow(s) will be allowed if the problem is corrected within the 15 minutes, other words, the points will be marked as zero.
19. Participants, coaches, spectators, or parents are NOT allowed on the official archery ranges used for the competition, unless permission has been granted by the range master. Practice or warm up shots are NOT allowed unless granted by the range master.
20. Do not stand directly behind an arrow as it is pulled from the target. Do not pull an arrow if someone is standing directly behind it.
21. When retrieving missed arrows down range, place an arrow upright in missed target before going beyond target.
22. Whistle Commands: 2 Blasts = Get your equipment and come to the firing line. 1 Blast = Nock and shoot arrows. 3 Blasts = Score and Pull arrows. 4 or more Blasts = CEASE FIRE
23. Competitors must wear closed toe shoes when competing in all courses of fire.
24. Cell phones, or any other device capable of communicating with someone who is not competing, are not authorized to be in a competitor's possession while competing in any course or fire.
25. All archers must have a quiver (either on their bows or hips). Archers should have arrows in quiver at all times unless shooting or retrieval from targets. Arrows out of quiver while shooting should always be pointed in safe direction (down range or towards ground).

Equipment Standards

	PERMITTED	NOT PERMITTED
RECURVE Longbows & Recurve Bows	One adjustable sight pin or multiple hunting style sight pins may be used; clicker and kisser buttons permitted; participants may have as many sight pins as desired; torque compensators are permitted. 60 lb. maximum draw weight. AIR PISTOL RULES

Check-In

- All pistols and ammunition must be checked and approved prior to use in competition.
- External air sources will be stored in range safety designated areas.

General Rules

1. When uncased and not in use, all air pistols are required to have a CBI (Clear Bore Indicator) in place except as permitted by the on-site range officer.
2. Pellets – Only flat nosed, wad-cutter style pellets in .177 cal. may be used in slow fire bullseye and single-shot rapid fire courses of fire.
3. Break barrel pistols are allowed in State Competition events (such as the Air Venturi V10 Target and Stoeger XP4), but competitors are reminded that no break barrel pistols are allowed at 4-H National Events. Break barrels pistols must abide by all range safety rules, especially those involving muzzle awareness and direction.
4. Eye protection is mandatory, hearing protection is recommended, but its use is at the competitor's option.
5. All air guns manufactured with safeties must be intact and functional.
6. Ranking of scores will be done by age groups. If a competitor chooses to shoot in a position that is more advanced, they will still be scored alongside their designated age group (JR, INT, SR).
7. Competitors must wear low top, closed toe shoes only, non-compression clothing, no more than one sweatshirt (with the sleeve rolled up so that the wrist is visible). Nothing is allowed on the shooters dominate hand wrist to include jewelry and braces.
8. No coaching/coaches allowed on the firing line; parents and/or coaches are required to stay behind the spectator line.
9. No cell phones, radios, or other electronic communication devices may be used by competitors or others on or in the immediate vicinity of competitive ranges during active competition.

Air Pistol Courses of Fire

AIR PISTOL SILHOUETTE

TARGET	1/10 scale, metallic silhouettes.
	Standard distances: 10 chickens - 10 yds., 10 pigs – 12.5 yds., 10 turkeys - 15 yds., 10 rams - 18 yds. in banks of 5 targets and shooting left to right on each bank of targets. If a tiered target support system is used, bottom bank will be shot first, top bank last. No sighting shots

DISTANCE AND COURSE OF FIRE	allowed before or during the match. Targets must be engaged in order. A target shot out of order will not be counted as a hit, but will count as a miss for the subsequent shot. Alibi fires will be determined by lane scorers should a second silhouette fall due to movement of an adjacent silhouette being hit. Note: this year's events will be conducted using modified range distances. ALL silhouettes will be placed at 10 meters for 2023-2024 matches. Juniors may conduct a reduced course of fire (20 target engagements) as determined on-site by the shooting sports coordinator.
TIME LIMIT	30 second ready time and 2 ½ minutes firing time for each bank of 5 targets. Juniors may be allotted extra time at the shooting sports coordinator's discretion.
APPROVED PISTOLS	Any air pistol, .177 caliber, equipped with any sights that do not project an image on the target (iron sights and/or optical sights are authorized). No restrictions on the magnification power of scopes. Optical devices cannot project a beam on silhouettes. Triggers must be safe as determined by the shooting sports coordinator.
SHOOTING POSITION	Seniors: Rule 5.8 - Any standing position without artificial support. Two hand hold permitted but arms must be free of the body and may not touch beyond the wrists. Intermediates may fire using two hands on the pistol. Hands and wrists are allowed to touch. Juniors will fire from the seated, supported position. Elbows and arms may touch the table. Artificial secondary barrel support is authorized. Bipods or any permanently affixed support devices to the pistol are not allowed.
SCORING	Targets knocked off the rail or laying in a non-vertical position on the rail, in proper sequence, are scored as hits. Targets hit out of order will be scored as misses.
TIE BREAKER	Tie scores for the top 10 individuals only will be broken. In the event of a tied score, the score card will be reviewed and the shooter with the most Ram hits will be declared the winner. If tie remains, then by the most Turkey hits, then most Pig hits. If all animal hits are the same, a shoot off on Rams will determine the winner. The shooters will fire alternate shots until one shooter misses.
SPOTTER	Each shooter may have one spotter with them on the firing line who may have a scope or binoculars to advise the shooter where shots are hitting. The spotter will also keep time and advise the shooter in a quiet voice. The spotter may not touch the shooter or the shooter's equipment after the shooter assumes their position on the firing line. Coaches may not be Spotters. Spotters can only be a registered competitor within that event.

Juniors may conduct a reduced course of fire (20 target engagements) as determined on-site by the shooting sports coordinator.

TIME LIMIT	30 second ready time and 2 ½ minutes firing time for each bank of 5 targets. Juniors may be allotted extra time at the shooting sports coordinator's discretion.
APPROVED RIFLES	Rifles that qualify for 3-P match use (sporter designation) are authorized for use in the Silhouettes Match. Rifles will not weigh more than 11 lbs. with scope. Iron sights and/or optical sights are authorized. No restrictions on the magnification power of scopes. Optical devices cannot project a beam on silhouettes. Triggers must be safe as determined by the shooting sports coordinator or his designee.
SHOOTING POSITION	Seniors and Intermediates: Rule 5.8 - Any standing position without artificial support. The rifle will be supported by the hands and one shoulder. All parts of one hand must be forward of the pistol grip. The chin may not rest on top of the comb. The stock may not be hollowed, altered or manufactured so as to facilitate chin contact. This does not preclude the use of abrasive materials or finishes. All Senior and Intermediate Air Rifle Silhouette shooters must load and cock their own rifles. Juniors have the option of firing from the kneeling position. No rifle stands, gloves or shooting boots/shoes are allowed. One sweatshirt is allowed to be worn if desired.
SCORING	Targets knocked off the rail or laying in a non-vertical position on the rail, in proper sequence, are scored as hits. Targets hit out of order will be scored as misses.
TIE BREAKER	Tie scores for the top 10 individuals only will be broken. In the event of a tied score, the score card will be reviewed and the shooter with the most Ram hits will be declared the winner. If tie remains, then by the most Turkey hits, then most Pig hits. If all animal hits are the same, a shoot off on Rams will determine the winner. The shooters will fire alternate shots until one shooter misses.
SPOTTER	Each shooter may have one spotter with them on the firing line who may have a scope or binoculars to advise the shooter where shots are hitting. The spotter will also keep time and advise the shooter in a quiet voice. The spotter may not touch the shooter or the shooter's equipment after the shooter assumes their position on the firing line. Coaches may not be Spotters. Spotters can only be a registered competitor within that event.

TRAP

EVENT	Standard ATA (American) trap (16-yards).
COURSE OF FIRE	1 round, 25 targets at 16-yards.
DELAY OF MATCH	No shooter, coach, or spectator shall delay or interrupt the match. Shooters will take the field when called, call for targets, and fire in an expeditious manner avoiding unnecessary delay.
TIME LIMIT	Participants will fire in an expeditious manner, avoiding unnecessary delay.
SHOOT-OFFS	Individuals: two shots from posts 1 through 5 from the 21-yard line (refer to ATA rule book pages 14 and 15) Example: if there are 2 shooters, shooter 1 will start on post 2 and shooter 2 will start on post 4. If 3 shooters, shooter 1 will start on post 2, shooter 2 will start on post 3, and shooter 3 will start on post 4. If 4 shooters, shooter 1 will start on post 2, shooter 2 will start on post 3, shooter 3 will start on post 4, and shooter 4 will start on post 5. If 5 shooters, use all posts 1 through 5, and if more than 5 shooters, will divide the squads as equally as possible. If after one round and the tie still exists, will increase to the 23-yard line. If ties still exist, increase to the 25-yard line. If ties still exist, will increase to the 27-yard line. Shoot-offs will not exceed the 27-yard line.

EQUIPMENT	Any shotgun 12 gauge or smaller firing target ammunition for that gauge with a maximum load of 1 1/8 ounce of size 7 1/2, 8, 8 1/2, or 9 shot may be used in this event. Factory loads are required. All guns used by contestants must be equipped with a shell catcher device so as not to eject empty shells in a manner that substantially disturbs or interferes with other contestants.
MAXIMUM VELOCITIES	Any load with a velocity greater than 1290 FPS (feet per second) with maximum shot charge of 1 1/8 ounces, or 1325 FPS with a maximum shot charge of 7/8 ounces or less, as measured in any individual shotshell. These velocities are maximum and no individual shotshell shall exceed these limits for the designated shot charge. In addition, no load containing more than 1 1/8 ounces or any shot larger than Number 7 1/2 can be used.
LOADING GUN	A contestant shall place a live shell in their gun only when on a post facing the traps. In Singles shooting a contestant may place only one (1) live shell in their gun at a time and must remove it or the empty shell(s) before moving from one post to another. In changing from one (1) post to another, the shooter shall not walk in front of the other competitors.
MOVING BETWEEN STATIONS	Shooters shall move to their next station upon completion of the final shot on each station and the referee's command. No shotgun will be loaded and/or closed until all shooters have rotated to the next station.

SMALLBORE PISTOL EVENTS

The Youth Safety Handgun Act, as included in the Gun Control Act of 1968, puts restrictions on the use and possession of handguns by youth under 18 years of age. Youth participating in Arizona 4-H Shooting Sports events must, at all times, follow all provisions of this act.

Therefore, event officials will require "the prior written consent of the juvenile's parent or guardian who is not prohibited by Federal, State, or local law from possessing a firearm." This written permission must be in the possession of the youth – even if a parent/guardian is present. A simple statement, reduced to wallet size with the name of the youth, a parent's name, address, as well as their signature, and that of a witness and dates. The participant can laminate this card and keep it with the shooting kit or on their person. This document must be displayed at check-in. Note this requirement is in addition to the form signed in Z-Suite during event registration.

Check-In

- All pistols competitors wish to use during any course of fire during the match must be approved during check-in.
- Any firearm built or modified to give the distinct impression of a modern military style firearm such as an AR or AK is not allowed. Examples of unacceptable firearm components include: any type of muzzle devices (muzzle brake, recoil compensator, suppressors), front pistol grips, heat shield/shroud, and magazines extending more than 1 inch below the receiver.

GENERAL RULES

1. All smallbore pistols are required to use a CBI (Clear Barrel Indicator) when the handgun is uncased and not being fired. Cased pistols will be the last equipment to be brought to the range and the first to be removed from it.
2. All events are "single pistol" matches, meaning participants are to shoot the entire course of fire with the same pistol. No pistol changes will be allowed between stages, and only one pistol per shooter is allowed on the line. Pistols may be replaced only if they are disabled or malfunctioning.
3. No coaching/coaches allowed on the firing line; parents and/or coaches are required to stay behind the spectator line.
4. No cell phones, radios, or other electronic communication devices may be used by competitors or others on or in the immediate vicinity of competitive ranges during active competition.
5. Competitors are required to wear closed toe shoes and long pants while competing.

SLOW-RAPID FIRE BULLSEYE

TARGET	NRA B-8.
---------------	----------

DISTANCE	25 yards.
COURSE OF FIRE	One 10 shot, 10 minutes slow fire round. Three 5 shot, 10 seconds rapid fire rounds. Rounds will be fired in the above order.
TIME LIMIT	Competitors are allotted 10 minutes to fire 10 shots during the slow fire round. Ten seconds are allotted to fire 5 shots during each rapid-fire round. Ample time to make ready will be provided during rounds.
EQUIPMENT	(3.4) 22 Caliber Pistol or Revolver - Any pistol (single shot or semi-automatic) or revolver chambered for .22 caliber rim-fire long rifle may be used; barrel length, including cylinder, not more than 10 inches. Trigger pull not less than 2 pounds. Any sights, including telescopic, are permitted with the exception of those sights that project an image on the target. Open (metallic) sights may be adjustable but not over 10 inches apart measured from the apex of the rear sight to the apex of the front sight. Any sighting device programmed to activate the firing mechanism is prohibited. All operational safety features of the firearm must operate properly.
SHOOTING POSITION	Seniors: One-hand standing. Intermediates: Two-hand, standing. Wrists and hands are allowed to touch. Juniors: Seated, supported, two-hand position. Wrists and hands are allowed to touch. Elbows and hands are allowed to touch the table. Artificial, secondary barrel support accessories (not attached to the firearm) are authorized to include blocks or bags. Bipods are not authorized.

SMALLBORE HUNTER PISTOL SILHOUETTE

TARGET	1/2 scale metallic silhouettes or TQ-14 paper target.
DISTANCE AND COURSE OF FIRE	Standard distances: 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, 10 rams at 100 yards. 40 record shots completed in banks of 5, shooting from left to right.
FIRING ORDER	If steel targets are used, each shooter will be assigned to starting position and on command they will fire at the five targets in that bank in order from left to right. Upon completion of both banks in that category shooter will move to the right on command. Shooters firing at rams will rotate to chickens.
TIME LIMIT	30 second ready time and 2-minute firing time for each bank of 5 targets. If a TQ-14 paper target is used, competitors will be given 10 minutes to engage 20 targets.

EQUIPMENT	Any factory available smallbore pistol weighing no more than 5.0 pounds, operated with a trigger pull of at least 2.0 lbs., chambered for .22 rimfire long rifle cartridge and having a factory standard barrel length of no more than 12 inches measured from breech face to muzzle equipped with any sights that do not project an image on the target. (NRA Pistol Silhouette Rule 3.1 and 3.2). No bolt action pistols, including cannon bolt, turn bolt or straight bolt are permitted.
SHOOTING POSITION	Seniors: Pistol is held in one hand or both hands at the shooter's option, with the arm or arms not braced or supported by other parts of the body. Neither the "trigger" hand (or arm) nor any part of the pistol may make contact with the opposite arm at any point at or above the pivot point of the wrist. (NRA Rule 5.8) The intent of this rule is that the weight of the pistol be supported solely by the muscles of the arm and shoulders. Resting any part of the arm on the torso is prohibited. Intermediates: Two-hand, standing. Wrists and hands are allowed to touch. Juniors: Seated, supported, two-hand position. Wrists and hands are allowed to touch. Elbows and hands are allowed to touch the table. Artificial, secondary barrel support accessories (not attached to the firearm) are authorized to include blocks or bags. Bipods are not authorized.
SCORING	Steel targets knocked off the rail or laying in a non-vertical position on the rail, in proper sequence, are scored as hits. Targets hit out of order will be scored as misses.
TIE BREAKER	Tie scores for the top 10 individuals will be broken. In the event of a tied score, the score card will be reviewed and the shooter with the most Ram hits will be declared the winner. If tie remains, then by the most Turkey hits, then most Pig hits. If all animal hits are the same, a shoot off on Rams will determine the winner. The shooters will fire alternate shots until one shooter misses with the other shooter hitting the target. Shooters will be allowed one warmup shot with their spotter prior to firing their first tie breaker shot.
SPOTTER	Each shooter may have one spotter with them on the firing line who may have a scope or binoculars to advise the shooter where shots are hitting. The spotter will also keep time and advise the shooter in a quiet voice. The spotter may not touch the shooter or the shooter's equipment after the shooter assumes their position on the firing line. Coaches may not be Spotters. Spotters can only be a registered competitor within that event.

SMALLBORE RIFLE EVENTS

Check-In

- Rifles competitors wish to use during any course of fire during the match must be approved during check-in. A maximum of two rifles are authorized to be checked in.
- Any firearm built or modified to give the distinct impression of a modern military style firearm such as an AR or AK is not allowed. Examples of unacceptable firearm components include: any type of muzzle devices (muzzle brake, recoil compensator, suppressors, porting), front pistol grips, heat shield/shroud, and magazines extending more than 1 inch below the receiver.

GENERAL RULES

1. All smallbore rifles are required to have the action open and CBI (Clear Barrel Indicator) in place when the rifle is not being fired and is uncased.
2. Cased rifles will be the last equipment to be brought to the range and the first to be removed from it. Recommend competitors have individual cases for each of their rifles.
3. Official weight of a rifle will be determined with the magazine inserted in the rifle. Trigger weights are determined by each particular course of fire.
4. Silhouette match will use the TQ-14 paper target shot at a distance of 50 feet. 40 rounds scored, 1 round per animal. 2.5 minutes per 5 targets.
5. NRA 3 Position will be a half match. Target will be A-23/3. 30 rounds will be scored, 5 rounds per bullseye. Prone- 10 minutes, Kneeling- 15 minutes, Standing- 20 minutes.
6. No coaching/coaches on firing line, parents and/or coaches are required to stay behind the spectator line.
7. No cell phones, radios, or other electronic communication devices may be used by competitors or others on or in the immediate vicinity of competitive ranges during active competition.
8. Competitors are limited to checking in a maximum of two firearms for the match. Chief range officer may verify a backup firearm, if needed, while on the range.
9. Magazines may not be used as a palm rest.
10. Coaches will be back behind the shooting area at a distance, as designated by the range safety, and will not be allowed to contact the shooters during any of the firing periods including during sighter shots. If the shooter wishes to consult with a coach during the firing or sighting period, they may ask the range officer to be excused and step back off the line where they can meet with their coach and have discreet discussion where it does not interfere with other shooters, but the clock will still be running. The coach may not initiate the consultation. Between stages (movement to a different position in silhouette or during position changes, target changes), the coach can come up to the shooting area if they need to

and can go down range with the shooter if we are changing targets except for silhouette. (Only the scorers and resetters will go down range to reset silhouette targets.) In most cases Range Officials will have all the targets in place so individuals will only go down range at the end of shooting.

11. Coaches will not be in the shooting area during the preparation or shooting periods.
12. Competitors are required to wear closed-toe shoes and long pants when competing. Please see course of fire details for additional requirements that pertain to footwear.
13. Please note during registration how your shooters should be paired for silhouette.
14. Spot check of equipment may take place on the range prior to, during, or after any match. Chief Range Officers may verify check-ins on the range. Spot checks prior to or following any competitive event are permitted and likely. Competitors whose equipment does not meet the event standards will be given an opportunity to adjust or to modify equipment to bring it into compliance prior to a second check. Equipment failing to meet specifications during on-range spot checks or after a match will result in disqualification.
