

Month Match

Work with your young child (ages 2-6) to write each month missing from the list. For more fun, say each month of the year out loud together and color in the letters.

January	January	JULY	_____
FEBRUARY	_____	AUGUST	August
MARCH	March	SEPTEMBER	_____
APRIL	_____	OCTOBER	October
MAY	_____	NOVEMBER	_____
JUNE	June	DECEMBER	December

How about matching the days of the week? Draw a line between the days that have the same name. Monday already has their friend! For more fun, say each day of the week out loud together!

MONDAY	FRIDAY
<u>TUESDAY</u>	WEDNESDAY
WEDNESDAY	SATURDAY
THURSDAY	<u>TUESDAY</u>
FRIDAY	SUNDAY
SATURDAY	MONDAY
SUNDAY	THURSDAY

This fun activity can help your child work on:

- Problem-solving
- Recognizing days of the week
- Learning months of the year
