**OPH Silent Auction Rules:**

*Participation in this auction is a privilege, and not a right.*

Pima County Junior Livestock Sales, Inc. (PCJLSI) is not part of 4H, FFA or the Southwestern Fair Commission. These rules and their enforcement are totally separate from 4-H and FFA. All concerns about the following auction and exhibitor requirements for the sales should be addressed to PCJLSI president.

**Auction Details:**

- Silent Auction will begin April 20th 2020 when the Fair opens to the public and will end April 26th at 10:30AM
- Checks will be released to the seller when adequate funds are available. Adequate funds are defined here as enough money collected to cover all exhibitors' checks and other liabilities incurred by the PCJLSI in administering the Silent Auction.
- There will be a 10% commission charge on all lots that sell. Funds received from said commission shall be used by PCJLSI.
- Exhibitors selling in the auction(s) must mail a Thank You letter to their buyer. The stamped and addressed envelope is to be verified by the project leader prior to distributing the auction check.

**Exhibitors:**

- To participate in the Old Pueblo Hall Silent Auction exhibitor’s project must place a blue ribbon or higher to be eligible for auction entry.
- If you have multiple lots that place blue or higher, exhibitors must choose one lot to enter in the silent auction. There is no minimum bid and your lot is not guaranteed to sell.
- Exhibitor will self-select item to place in auction, it is optional to participate.
- Item must be selected to participate in the silent auction by April 18th 2020 by Fairgrounds closing time. You can email kchunter@email.arizona.edu your selection or you may stop by the 4-H Fair office (near the restrooms in the barn) to let us know which project you select.

**Buyers:**

- Buyers will need to register at the registration table in OPH to receive a buyers number
- Credit Card number will be required up front in order to register
- Highest Bid at 10:30AM on Sunday April 26th, 2020 will be automatically charged
