

## **Pima County Cooperative Extension Demonstration Gardens And Special Guests**

Pima County Master Gardeners gardens are located at 4210 N Campbell Avenue Tucson. There are 14 beautiful and diverse gardens for you to tour and learn from. This year will include special guests from local organizations.

The Desert Museum will present information regarding tortoise adoption and you will be able to meet some tortoise hatchlings. They will also have some venomous animals to admire and learn about.

The Tucson Audubon Society will be there with educational materials and resources on how to turn your yard into a beneficial habitat for birds, pollinators and other wildlife.

The Southern Arizona Beekeeping Association will promote the importance of bees and beekeeping in the Southwest. Come and meet the bees in the observation hive and enjoy learning about them.

This day at Extension promises to be exciting and informative!
